KAI (Host/Artistic Director)

Kai Wilkes was born in a sleepy West Virginia town just outside San Francisco. Raised by wolves, Kai was a standout from a young age for their ability to fish, chase, and crochet, often at the same time.

Kai has been successfully hosting variety shows since 2023. They have appeared in several variety specials including *A Night of Songs with Oprah*, *Lady Gaga Presents Rodgers and Hammerstein's Cinderella*, and *Friends the Musical Disaster*.

After tonight's performance and a light snack, Kai will be available for autographs and caricatures. Please provide paper and snacks.

Baby Judge

COLE - Cole Howard is a world class wrestling coach with a passion for Hydrangea farming. He also holds the world title for the most gallons of water drank per minute.

PATRICK- Patrick Communale, a local bank teller and world class tennis player, is responsible for the funding of our production here tonight! As thanks for his contribution, we've granted him his one request: his first breakthrough role in our prestigious show! He would like to thank his father Tony, his cousin Tony, and his sister Toni.

JULES- Jules Marzluff is a famous tik tok star and friend of the show. She enjoys making carpet cleaning videos and raising feral rabbits from the woods. Jules has participated in various comedy sketches including *Billy Bob's Barn & Wagon Wheel Show* and *The Esoteric Implications of Comedy*.

Bad Murderer

LILA - Lila Hilliard was born in a bunny burrow in seaside Michigan, and has been a swim instructor to lizards since she graduated college. In her free time she enjoys acting in comedy shows. She's won notable comedy awards from the Caitlyn's Comedy Couture Collective and Bad Joke's By Jeff's comedy club. She hopes to enjoy the show! And donate to your local underprivileged lizard fund today!

JILYAN - Jilyan Wilson, a successful musician and statistician, has joined us for this evening of laughs! Jilyan enjoys running numbers in her free time and mapping out the exact numbers for the ultimate burning out of the sun in our solar system. She's jumped out of her comfort zone to serenade us with her talent this evening!

MASON- Mason Smith is a local nihilist philosopher and he lost a bet to be here! He enjoys reading Nietzsche and contemplating the metaphysical conditions of cats in our universe. He knows there is much more than could be said on this matter. But he hopes you enjoy the show

Bad RomCom

KYLE- Kyle Bosscher was born in a sunny town in Rhode Island on February 30 to two loving red-tailed hawks. He excelled in pottery and Polish rug-making by the time he was four years old. At the age of 12 his passion changed towards variety shows! Ever since then, he's been a breakout star on *Shrek: The Comedy Show*, and *The Hollywood Fife*.

MANDI- Mandi Kingrey, a full time Easter Bunny costume designer, has graciously joined us for tonight's variety show! She is a viral Tumblr star for her unique rock and teeth collection. She would like to thank her parents, Timothee Chalamet, and the three grapes she ate before the show.

SARAH- Sarah Kress is a seasoned veteran at the variety show same. Starting at age 2 in a small town in Quebec, she starred in the original *Baby Judge* (the revival of which is being performed tonight). She is an avid advocate for Snail Union and all of the proceeds from tonight will go directly to their coalition to give Snails proper safety precautions in the workplace.

JESSI- Jessi Stoehr started her career in a sunny side town in England, running a puppet show for orphaned gerbils. She moved to the United States to seek a better life for her three rabbits and two parrots. She's set up shop in Ohio and performed in many sketch comedy nights throughout the state!

Thursday Update

MAX - Max Smith, a world class florist and beatboxer is questioning his choice, but nonetheless excited to be here! He made it his New Year's Resolution to perform in theatre and recently made his breakout role as Glinda, the Good Witch, in *Wicked* on Broadway. In his free time he enjoys befriending squirrels and separating seasonings in his cupboard.

CONNOR - Connor Curran was born when she was a baby and ever since then has developed a love for comedy! Having been raised in Paris, she developed a love for mimicry and often participates in the craft in her free time. Her favorite roles include Jean Pierrot in *A Mime's Tale*, and Hugo Val-Jean in "*Me, Mimeself, and I.*"

ISHA- Isha Atiq is an active novelist and cereal stamp collector. Isha has performed in various variety shows throughout her years, but she refuses to tell us the titles. Ecstatic as ever to perform, she hopes you enjoy the show, and please donate your empty Raisin Bran boxes in the drop-off box backstage. There will be a sign.

NYLE - Nyle Atiq is an entrepreneur and local business owner. He got a small loan to begin his nondescript business and has been working ever since. He gives exorbitant donations to keep this annual show running. His love of comedy steamed from one too many 'got your nose' jokes as a kid. Ever since he's strived for quintessentially perfect comedy.

The Wrong Turn

RACHEL - Rachel Mifflin is a local carrot farmer and international fashion star via instagram, and is honored to be participating in CNL- Centerville Night Live.
